

PROVIDER DIRECTORY

Lafayette Service Area

INTRODUCTION

Welcome and thank you for choosing Gulf South Health Plans/Option 65, a division of Louisiana Health System.

We are pleased to supply you with this Provider Directory which lists our network of participating physicians and facilities. This Directory is designed to assist you in choosing a provider for all of your health care needs.

Our focus is on keeping you and your family healthy through primary and preventive care. Of course, we're also ready to provide you with the care and coverage you need whenever you become sick or injured.

Gulf South Health Plans/Option 65 feels that your relationship with a medical practitioner is important to your continued access to appropriate medical care. Your choice of Primary Care Physician may impact referrals to Specialist providers. If you desire access to a specific Specialist, you may want to discuss this information with your Primary Care Physician. Please consult Gulf South Health Plans/Option 65's Evidence of Coverage for details.

Customer Service Department

Gulf South Health Plans/Option 65 has an established Customer Service Department to help you with questions about your benefits, policies and services. The staff is available from 8 a.m. to 5 p.m., Monday through Friday and can be reached at (800) 803-6802.

Contact Customer Service when you have questions about claims, referrals, benefits, if a provider is in the network, or other member concerns. You may also call Customer Service to change Primary Care Physicians, request new ID cards or make a change to your address or phone number. Medical questions should be directed to your Primary Care Physician's office.

A * denotes a Primary Care Physician who does not accept new patients. If you are an existing patient of a PCP so noted, you will be allowed to enroll with that physician.
